Reports that children's commissioners for England, Scotland, Wales and Northern Ireland have written to the Home Secretary Amber Rudd urging her to rethink the Government's plan to close the resettlement programme for lone child refugees under the Dubs amendment. The

article says the commissioners are the latest in high profile figures to oppose the closure of the scheme, including the Archbishop of Canterbury Justin Welby.

Should the U.S. prioritize Christian refugees?

No thanks, some Arab Christians say

They say countries that prioritize Christian refugees are effectively helping ISIS purge the region of different faiths.

More from Time

Trump's wish to ban Muslim immigration is widely shared in Europe

Two new surveys show voters in several countries back a complete immigration ban at levels notably higher than those in the United States.
