Orly Watson

Organ Recital Tour, 2022

St Patrick's Cathedral, Armagh (RC).

Sunday 6th November, 2pm.

Admission free; a retiring collection will be taken.

.....

Dromore Cathedral Organist and Director of Music, Orly Watson will perform a series of organ recitals highlighting the diverse range of instruments found in this country.

Also a noted pianist and composer, Orly is one of our outstanding upcoming musicians and a particularly enthusiastic and engaging proponent of the organ.

Alongside well and lesser-known works, the music of César Franck (1822 – 1890) will be included in each performance in recognition of the bicentenary of the great composer's birth. This concert will showcase one of Ireland's greatest organs in a programme also including works by Bach, Barié, Vierne, Willan, and others.
