

The Mothers' Union has produced a range of resources aimed at children, or for providing advice and encouragement for those caring or working with children. These resources are available from the Mothers' Union shop or by contacting centralservices@themothersunion.org

Children & Citizenship

Aimed at parents and carers of children under 16. This four page leaflet introduces children to social policy by exploring how they, encouraged by their families, can be good citizens through caring for others and their planet.

Taking Children Seriously

One of five leaflets aimed at supporting children in their faith. "Taking Children Seriously" looks at ways to ensure that children are encouraged and accepted in their church family.

Children and Bereavement

One of five leaflets aimed at supporting children in their faith. "Children and Bereavement" is a resource offering advice and encouragement to parents and carers supporting a grieving child.

Children and Spirituality

One of five leaflets aimed at supporting children in their faith. "Children and Spirituality" is a resource offering advice to parents wanting to encourage their child in their spiritual growth.

Children in Church

One of the five leaflets aimed at supporting children in their faith. "Children in Church" is a resource offering advice to parents to get the most out of time spent worshipping together.

Godly Play

One of the five leaflets aimed at supporting children in their faith. "Godly Play" is a resource providing ways to encounter the Bible stories creatively and imaginatively.
